

μ Level 30

Professional Levelling Package with IT

Components of the Professional Levelling Package

*μ*Level 30

*μ*Level Spirit Level with Bluetooth (BT 840100/1)

The precise alignment of machines is an important part of the Quality Management process. Especially in the tool machinery market precision down to a μm is required. The new μ Level system is an easy to handle yet very precise system for the measurements of straightness and parallelism.

You can use it as a stand alone instrument or in combination with software which guides you through the steps and then documents the results.

You can also use two μ levels at the same time. Where one of them serves as a continuous reference. You can also store the measurements in the unit and connect it to the software afterwards.

By using the integrated Bluetooth device you can connect the μ Level directly to a Android smartphone or to a Windows based PC.

External Display (IT 200610)

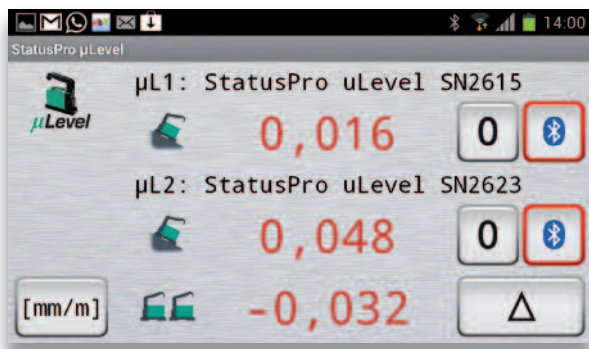

We offer a Motorola Smartphone as an external display unit for the μ Level. This device can be used without a SIM card.

It is rugged and scratch resistant.

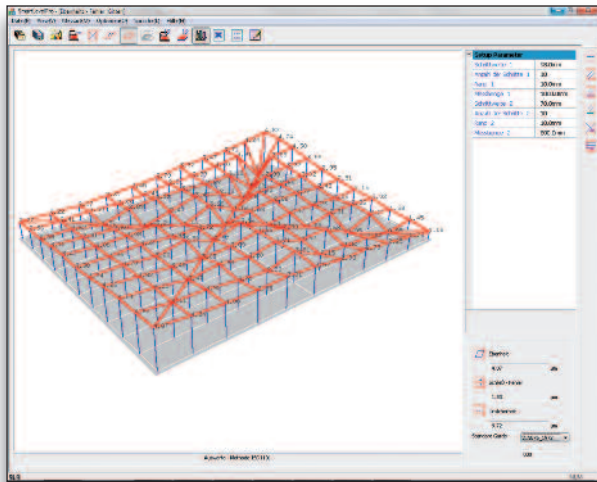

By using a Corning Gorilla Glass the 3,7" touchscreen is well protected.

Software for remote indication on Android System (SW 200190)

The software connects two μ Level systems at the same time. You can "zero" the data or show them a differential value. Furthermore you can use the dialer for a easy display.

Software for the μ Level Level System (SW 200150)

The enclosed software offers a lot of measurements like straightness, flatness, parallelism of guides.

By connecting the system directly via Bluetooth to the software you can store all values and perform a report.

Case for μ Level with Foam Inlay (BT 840110)

The rugged Aluminium Case contains the following:

- 1 x BT 840100/1: μ Level unit with Bluetooth
- 1 x BT 840120: Foam inlay for μ Level case
- 1 x IT 200610: μ Level Ext. Display (107x 59x 13mm)
Motorola Defy BT WI-FI 3,7" Display
- 1 x SW 200150: Software for μ Level
- 1 x SW 200190: Display software for IT 200610
